Dear Port Tenant:

As you may know, the Port of Wilmington Maritime Society offers a scholarship each year to a deserving high school senior or college student whose parent, grandparent or legal guardian is employed by a company at the Port of Wilmington and is a member of the Port of Wilmington Maritime Society. The scholarship is in the amount of \$2,500, and recipients may reapply annually.

In order for your employees' children to be considered for this scholarship, your company must contribute a minimum of \$500 to the scholarship fund. Applications for this scholarship are due to the Center For Scholarship Administration on April 1, 2017. Contributions to the Scholarship Fund must be received by April 1, 2017. We encourage you to respond as soon as is convenient.

More information on the scholarship is enclosed including an info sheet to be distributed to your employees. If you have any questions, please call Lindsay Pennington at 302-656-7000.

Sincerely,

John P. Coulahan  
Chairman of the Board  
Port of Wilmington Maritime Society
